

206EXT-15

Extended bib tap

1/2" BSP male inlet

[SANS 226 TYPE2](#)

Includes

- * Sliding wall flange
- * Hot and Cold indices

Description: Extended bib tap with hot and cold indices. 1/2" BSP male connection ends. [SANS 226, Type 2](#)

Code: 206EXT-15

Specific features and benefits

- * With flow straightener for flow aesthetics
- * Chrome plated

Spare parts

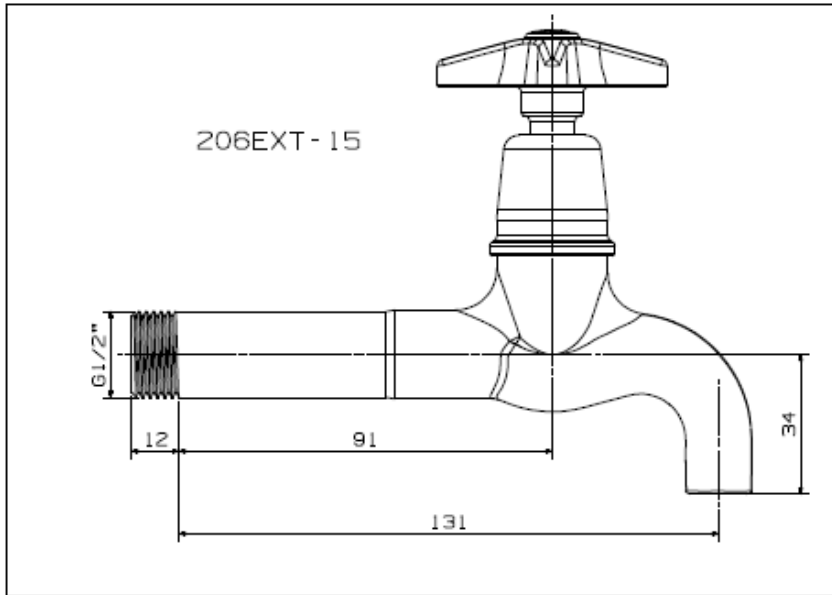

- * Head part complete **P-8**
- * 1/2" light pattern tap washer **C-098-15**
- * Sliding wall flange **C-FL1/2X4**
- * Head part complete **P-5**
- * 1/2" heavy pattern tap washer **C-097-15**

Weight

483gr

Line drawing

Note:

The R&D test facility was tested with various static pressures. The following flow readings were taken.

- 1) With a $\varnothing 22\text{mm}$ x 1 meter long class "0" pipe with open end
- 2) With a $\varnothing 15\text{mm}$ x 1 meter long class "0" pipe with open end

Static Pressure	22mm Pipe	15mm Pipe	Static Pressure	22mm Pipe	15mm Pipe
10 kPa	15 l/min	13 l/min	150 kPa	68 l/min	54 l/min
20 kPa	24 l/min	22 l/min	200 kPa	79 l/min	64 l/min
30 kPa	27 l/min	26 l/min	250 kPa	90 l/min	70.5 l/min
40 kPa	33 l/min	29 l/min	300 kPa	98 l/min	79.5 l/min
50 kPa	38 l/min	32.5 l/min	350 kPa	105 l/min	83.5 l/min
100 kPa	55 l/min	45 l/min	400 kPa	115 l/min	89.5 l/min
