

## 297CA

### Sink mixer

One hole with retractable handspray. 1/2" BSP female inlets

[SANS 226 TYPE 2](#)

#### Includes

- \* Sink mixer with retractable handspray
- \* Mounting kit
- \* 2 x 1/2" female iron 400mm long flexible inlets

Description: One hole sink mixer with retractable handspray. 1/2" BSP Female connection end. SANS 226, Type 2  
Code: 297CA

#### Specific features and benefits

- \* With angled swivel handspray support for sinks
- \* Handspray Functions:
  - Classic jet
  - Champagne spray

#### Spare parts

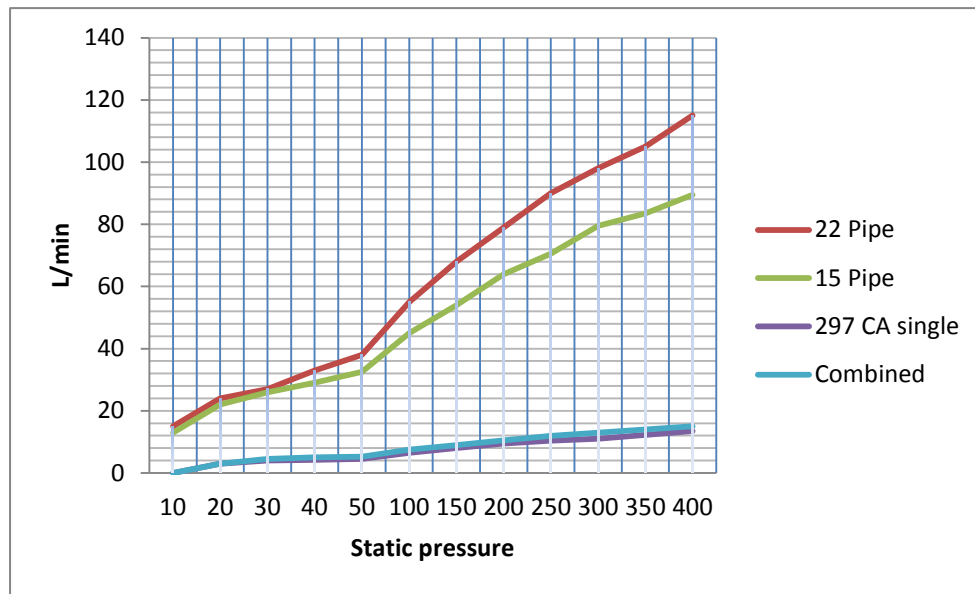

- \* Headpart complete **P-71-2CA**
- \* Connection tubes **C-M10X1/2**
- \* Retractable handspray **C-017**
- \* Retractable handspray tube **008SP**
- \* 1/2" light pattern tap washer **C-098-15**

## Weight

1,975gr

## Flow rates:

## Note:

The R&D test facility was tested with various static pressures. The following flow readings were taken.

- 1) With a  $\varnothing 22\text{mm} \times 1$  meter long class "0" pipe with open end
- 2) With a  $\varnothing 15\text{mm} \times 1$  meter long class "0" pipe with open end

Static Pressure	22mm Pipe	15mm Pipe	Static Pressure	22mm Pipe	15mm Pipe
10 kPa	15 l/min	13 l/min	150 kPa	68 l/min	54 l/min
20 kPa	24 l/min	22 l/min	200 kPa	79 l/min	64 l/min
30 kPa	27 l/min	26 l/min	250 kPa	90 l/min	70.5 l/min
40 kPa	33 l/min	29 l/min	300 kPa	98 l/min	79.5 l/min
50 kPa	38 l/min	32.5 l/min	350 kPa	105 l/min	83.5 l/min
100 kPa	55 l/min	45 l/min	400 kPa	115 l/min	89.5 l/min
