ADJUSTABLE  
HANDSHOWER  
LOCKING  
CONICAL  
HOLDER

A man and a woman are shown from the chest up, standing under a large, rectangular, rain-style shower head. The shower head is at the top of the frame, and a wide, dense curtain of water is falling from it. The man, on the left, is a Black man with short hair, smiling and looking towards the woman. The woman, on the right, is a white woman with long, light brown hair, smiling broadly and looking at the man. Her hand is raised towards his shoulder. The background is a dark, textured wall, possibly a shower pan or wall. The overall mood is joyful and intimate.
