WARNING

REDUCE THE RISK OF DEHYDRATION

- Exit immediately if uncomfortable, dizzy, or sleepy. Staying too long in a heated area increases the risk of dehydration.
- Children should be supervised at all times.
- Check with a doctor before use if pregnant, in poor health, or under medical care.
- Breathing heated air in conjunction with consumption of alcohol, drugs or medication increases the risk of unconsciousness.
- Do not use your sauna for more than 30 minutes at a time.
