Vogue™  
doors

**Vogue Doors manufactures fully assembled custom made aluminium framed glass doors to our customers' specifications.**

We have a range in natural anodized and brushed stainless steel finishes. Your choice of frame and one of our numerous insert options make design possibilities almost endless.

Features of our aluminium framed doors include:

- Custom made to your specific size.
- No minimum orders.

- Lead time of 10-15 working days.
- Doors are fully assembled with hinge holes as per customer specifications.
- We strive to offer a high level of customer service in a prompt and professional manner.

Vogue Doors is the leading manufacturer of custom aluminium framed glass doors in South Africa. Our focus is on producing exceptional quality aluminium framed glass doors for the cabinet and furniture industry. We strive to provide the highest level of customer service and support.

Any items not included in the above packages, please order separately from the profiles and fittings list, as extras.

# Sliding Doors

## Pre-Manufactured

### Sliding Door Adjustment

### Various Door Configurations

# Sliding Doors

## Pre-Manufactured

### Assembly Instructions:

1. Attach bottom rail to vertical profile with assembly screw.
2. Fit inlay in bottom & vertical profile.
3. Attach divider rail to vertical profile.  
(Alternatively, if no divider, screw frame to 16mm board.)
4. Fit inlay in divider & vertical profile.
5. Attach top rail to vertical profile, including top wheels.
6. Slot bottom wheel into bottom rail as indicated & attach through vertical profile.
7. Fit top & bottom track as per drawing on pg 10
8. Fit doors as per drawing on pg 10

Vogue DIY Pre-manufactured Doors cannot accommodate TYPE 1 glass doors, i.e. full sheets of glass/mirror without a divider rail. A centre divider must be used on glass/mirror. Alternatively order Vogue sliding frameless.

# Sliding Doors

## Frameless

# Sliding Doors

## Installation

### Frameless Description

The frameless sliding door is unsurpassed in elegance & distinctive design. The sleek frameless design completes any contemporary style. It consists of a small 3mm vertical edge, which serves as the integrated handle. Available in colour glass & mirror only. Our system is designed to glide across the aluminium track with ease, for effortless functionality.

The Vogue Frameless Sliding Door is only sold as a fully assembled door. Price on request.

### Single Track Installation

### Double Track Installation

### Installation Instructions:

1. Fit door into top track first.
2. Lift bottom wheels and move above bottom track.
3. Allow bottom wheels to sit inside bottom track.

## 03 Solo Wardrobe System

**Vogue Solo furnishes the environment simply and economically, creating beautiful solutions and practical structures that come alive through a wide range of accessories.**

The system is based on a 35 X 35mm square aluminium profile, with a series of accessories, which allow you to create modern open-fronted structures for your interior decoration.

Vogue Solo arranges your dressing room and/or living area with simplicity, creating aesthetic solu-

tions and functional structures which can be implemented through a wide range of accessories.

You are now able to decorate your living area or create spaces that satisfy your client's needs according to their taste.

The Vogue Solo is sold in kit format and supplied ready for easy assembly. All aluminium profile and accessories are provided. Any timber/joinery components are excluded. For pricing or further enquiries, please contact the Vogue office.
