

POLYCELL SUGAR SOAP LIQUID

PRODUCT CODE: 501801

TECHNICAL DATA SHEET

Product Description	POLYCELL SUGAR SOAP LIQUID is a gentle but powerful non-alkaline cleaner.	
Intended Uses	<ul style="list-style-type: none"> For use on brick, concrete, cement plaster, ceramic tiles, metal, painted surfaces (either emulsion paint or enamel), leather, upholstered surfaces, vinyl surfaces, etc. General household cleaning and removal of grease and grime from doors, window frames, walls, bathrooms, etc. Cleaning of paint work without attacking the surface. Cleaning of upholstery and carpets in the home, motorcars, boats, etc. 	
Features & Benefits	<ul style="list-style-type: none"> An efficient liquid cleaner. Biodegradable. It is economical to use since a dilution of half a litre in hot water makes a 5L solution. It is a multi-purpose cleaning agent. Suitable for household and industrial cleaning. Does not contain caustic ingredients. It is not abrasive and will not scratch the surface. 	
Product Information	Appearance	Liquid
	Colour	Light yellow (pine)
	Mass solids	1 % (typical)
	S G	1,00 (typical)
	pH	12.03
	Flash point	> 100 °C
Application Details	Mixing	<p>For general household cleaning (including painted surfaces): Add 500ml SUGAR SOAP LIQUID to 5L hot water</p> <p>For particularly dirty surfaces: Use undiluted – then rinse with water.</p>
	Method	Cloth, sponge or hard bristle broom.
	Cleaning	Water
Storage and Packaging	Store in a cool dry place away from direct sun.	
	Packaging: 1L plastic bottle.	
Application	<ul style="list-style-type: none"> Dab solution onto surface to be cleaned using a cloth or sponge. Allow to soak into the dirt. Wipe with a damp cloth - rub only when necessary. Rinse with clean water and dab dry. Repeat if necessary - do not scrub surface as this will damage the paint film. 	
Caution	<ul style="list-style-type: none"> Rubbing only recommended on upholstery and non-painted surfaces. Protect parquet, linoleum and other polished surfaces from SUGAR SOAP LIQUID. Will not remove lacquer, adhesives, bitumen or deeply penetrated oil and grease - use BRUSH CLEANER (502205) for such purposes. 	
Safety Precautions	<ul style="list-style-type: none"> Keep out of reach of children. SUGAR SOAP LIQUID will dry the skin because of the degreasing properties. In case of skin contact, wash with soap and water or a recognised skin cleaner. Harmful if swallowed. Do not induce vomiting. Seek medical attention. Avoid contact with eyes. In case of eye contact, wash with copious amounts of water and consult a doctor. Refer to Safety Data Sheet for complete information.
