

REMOVALL HIGH STRENGTH CLEANER & DEGREASER

PRODUCT CODE: RCI 70

TECHNICAL DATA SHEET

Product Description	A heavy-duty citrus-based cleaner that is biodegradable and environmentally aware.																
Intended Uses	<ul style="list-style-type: none">• Ideal for general purpose degreasing and cleaning of shop walls, lockers, stove tops, tools, lawn mowers, fireplaces, chrome, chainsaws, rust, braais, oil engine parts, and industrial equipment.• Quickly cuts through grease, industrial soils and petroleum-based liquid products.																
Features & Benefits	<ul style="list-style-type: none">• Water-based• Fully biodegradable• Non-abrasive• No chlorine• Easy clean-up with running water• Non-ozone depleting																
Product Information	Appearance	Clear liquid															
	Colour	Clear															
	VOC	45 g/L															
	Shelf life	24 months															
	pH	13-14															
	Density	1.04 g/mL															
	Viscosity	10 Seconds (Ford 4 Cup)															
Application details	Mixing	The product may be diluted as recommended. Shake well before use.

REMOVALL HIGH STRENGTH CLEANER & DEGREASER

PRODUCT CODE: RCI 70

Safety Precautions

- Always keep cleaner out of reach of children.
 - Ensure good ventilation during application.
 - Wear protective gloves and goggles while applying.
 - If accidental contact with skin should occur, wash immediately with soap and water or a recognised skin cleaner.
 - Take care to avoid contact with the eyes. In case of contact, immediately rinse the eyes with plenty of water and seek medical attention.
 - Harmful if swallowed. Seek medical attention and do not induce vomiting.
 - Store in a cool, dry place away from heat and sparks.
 - Refer to Safety Data Sheet for complete information.
-

DISCLAIMER:

The recommendations contained herein are given in good faith and are meant to guide the specifier or the user. They are based on results gained from our tests and experiences and are believed to be reliable. No guarantee is implied by the recommendations contained herein since conditions of use, method of application and cleanliness of the substrate prior to painting are beyond our control.

NB: Technology may change with time necessitating changes to this Technical Data Sheet (TDS). It is the responsibility of the user to ensure that the latest TDS is being used.

NB: TO ORDER: Quote product name, product code number, packaging and colour.
