**Presents our Green Stars!**

**Plascon Double Velvet** was the **first product in SA** to be launched with a **Breatheasy™** formulation.

This leading Breatheasy™ formula releases fewer harmful chemicals into the air as it dries, dramatically improving indoor air quality. Plascon Cashmere soon followed.

- Green Building Council of South Africa compliant
- Plascon South Africa is ISO 14001 accredited complying to the highest international environmental standards

## Double Velvet

VELVET SHEEN

PLASCON DOUBLE VELVET gives your interior walls a luxurious look and feel that is easy to keep clean and beautiful, even in your most "lived in" rooms. The formulation contains a unique Stain Barrier™ that forms a multi-layered protective coating preventing dirt from penetrating the paint. DOUBLE VELVET is Breatheasy – Virtually No Odour.

- Washable & stain resistant
- Low odour
- Luxurious velvet finish
- Low Volatile Organic Compounds = Breatheasy formula
- 7 Year Quality Guarantee

## Cashmere

PLUSH MATT

PLASCON CASHMERE gives a long lasting plush matt finish, that creates a sense of style for both the interior and exterior of your home. It contains a unique Triple Action Bead Technology™, which diffuses more light thereby hiding imperfections and forms a protective barrier which maintains an absolute matt finish over time, even with regular wiping.

- Washable & stain resistant
- Hides imperfections
- Stylish matt finish
- Low Volatile Organic Compounds = Breatheasy formula
- 7 Year Quality Guarantee
