

TECHNICRETE

BondBrick[®], DoubleBond[®] CobbleBond[®]

Economy with elegance

Technicrete BondBrick[®], the traditional paver for economy and durability. Available in a variety of colours and thicknesses. Suitable for parking areas, pathways, commercial and domestic surfaces. **Technicrete DoubleBond[®]** & **Technicrete CobbleBond[®]**, paving blocks which give an attractive cobble effect with a stronger interlock capacity. The cobble look comes from a central groove which is bevelled across the middle of the block.

TECHNICRETE

Trojan[®]

Old world charm with strength that endures

Technicrete Trojan[®] paving sets a new standard in aesthetics and durability. The old world charm, achieved by the random-shaped edge bevels create paving which is reminiscent of the old stone setts. The strength and durability of **Technicrete Trojan[®]** produces paving with character and style that endures.
