Crealco product range is available from the following Wispeco Appointed Stockists:

This brochure must be read in conjunction with the Installation, Cleaning & Maintenance Guidelines and Performance Certificates for the relevant system. The Manuals must also be used in conjunction with the design and cutting lists from the latest version of Starfront.

Sliding Window

The Crealco Casement 1000 offers a unique and secure sliding window for both residential and commercial building applications. Designed with an aesthetic rounded look the window is available in 2, 3, 4 and 6 panel configurations.

### FEATURES

- Sturdy and robust design for high sliding windows
- Anti-corrosive hardware suited for coastal regions
- Locks on both sliding sashes

### GLAZING

- Suited for single and double glazing options
- Can accommodate up to 20 mm sealed insulated glass panels.

### GASKET & SEALS

- High quality, locally available gaskets and seals are available
- Affordable and reliable

### FINISH

- Available in a variety of popular architectural powder coating colours and finishes

### HARDWARE

- Plastic mechanical cleats preventing corrosion
- Double bottom roller for smooth operation
- Secure locking mechanism

### TECHNICAL SPECIFICATIONS

Can be configured as a 2, 3, 4, or 6 panel slider
