

Hand Hygiene & Washroom Essentials

For a healthier, hygienic workplace

Advancing Hygiene

Focusing on your business needs, we deliver leading edge health and hygiene solutions for people in their workplace or whilst they are away from home. For over 135 years our commitment to innovation and a set of simple values – quality, service and fair dealing – has helped to establish us as a leading edge, global company.

KIMBERLY-CLARK PROFESSIONAL* is the supplier of choice when it comes to hand hygiene solutions. We understand that poor hand hygiene can cause the spread of germs and cross contamination throughout a workplace. It is our aim to provide innovative solutions in skincare and hand towels to protect your employees' health and well being.

Trusted brands

Choose the brands you already know and trust to create the complete washroom solution

Our KLEENEX® Brand promises to constantly innovate to consistently deliver superior product performance and premium quality. Reflecting the commitment to care for your well-being – even over the best-performing competitive products.

Our SCOTT® Brand promises design that consistently delivers superior value by offering the optimum balance of product quality and affordability.

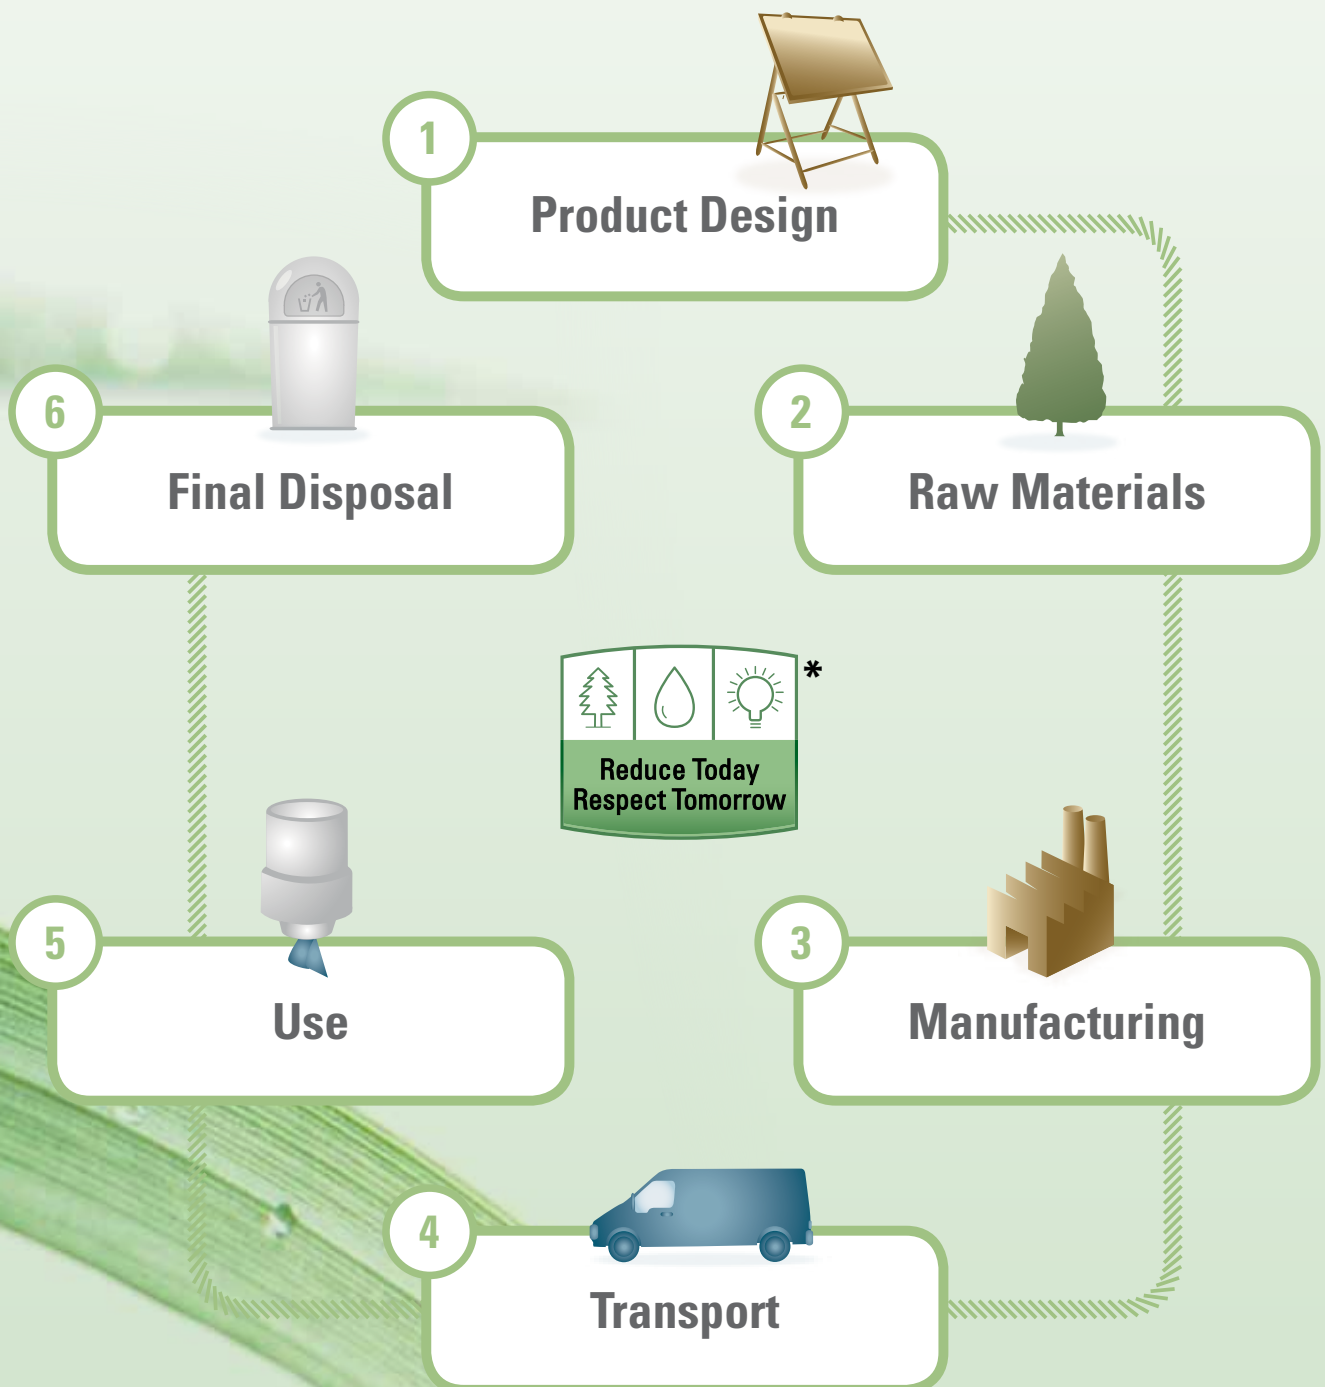

REDUCE TODAY, RESPECT TOMORROW*

We're working to safeguard our world for future generations. With the goal of using less and leaving less, our innovative washroom systems offer greater efficiency, recycled content and reduced packaging.

We understand that the way we use resources today will shape the world of tomorrow. We strive to reduce environmental impact at every stage of a product's lifecycle. From design and raw materials sourcing to manufacturing, use and final disposal, we look at the bigger picture. Throughout the brochure you will see the product lifecycle brought to life.

Hand Hygiene Innovations

New No Touch Electronic Dispenser

Cost efficient, hygienic and luxurious. Giving your washroom a completely touchless, high performance system.

- **Great cost in use**
Due to our controlled dispensing
- **Lessens risk of cross contamination**
With hygienic, totally touch-free dispensing
- **Reduces servicing time**
High capacity foam soap system means less time spent refilling

Electronic Cassette Skin Care Dispenser

KLEENEX® Luxury Foam Frequent Use Hand Cleanser

AUTOMATIC

Controlled Dispensing

Our controlled dispensing system is designed to ensure that the right amount of product is taken. This helps to control usage, lower maintenance costs and reduce wastage.

New SCOTT® Slimroll Hand Towel and Dispenser

A smart, compact, space-saving hand towel system, with no compromise on capacity or quality. Ideal for washrooms if wall space is limited.

- **Versatile placement**

Our Slimroll Dispenser is nearly 50% smaller than our current rolled systems

- **Great Capacity**

Each roll is 165m, providing up to 700 sheets with stub roll

- **Enhanced user satisfaction**

Absorbent, strong sheet quality, using our unique AIRFLEX* Fabric technology

Slimroll Hand Towel Dispenser

SCOTT® Slimroll Hand Towel

High Traffic Washrooms

High capacity systems

Designed for high usage public venues and work environments, from airports to food processing plants.

High Capacity

Dispensers need never to run out

Hygienic

Single sheet and no-touch dispensing help reduce the spread of germs and provide a completely hygienic experience for users

Lower Maintenance

Easy loading and less time spent refilling. Controlled dispensing helps to improve cost in use

Compressed Products

Compression technology means we can fit more product in a case, more cases in a truck, leading to fewer trucks on the road, helping to cut carbon emissions. All this, with the same product quality and performance.

Hand Hygiene – Hand Towels

If hygiene is important to you, paper hand towels are the right, hygienic choice. A study carried out by the University of Westminster (Feb 2009) shows that paper hand towels reduce bacteria on the hands by 77%, compared to warm air dryers that increase bacteria by 254% and jet air dryers by 42%¹.

AIRFLEX* Fabric

Our powerful UCTAD technology behind AIRFLEX* Fabric delivers highly absorbent hand towels across our KLEENEX® and SCOTT® Ranges.

- **Superior absorbency and strength, meaning fewer towels are needed**
- **Soft, textile-like feel and appearance**
- **Do not break up when wet**
- **Outstanding drying performance**

Our patented technology results in superior absorbency and strength

Reducing the use of resources

AIRFLEX* Fabric wood fibre consumption is 17% less than conventional manufacturing processes.

Simpler brand choice

Choose the preferred towel, format and dispensing system to meet your needs.

KLEENEX® Hand Towels provide the quality and care you'd expect from a recognised brand.

- **More choice of luxury**

Choose from KLEENEX® Premier, KLEENEX® Xtra to suit your users needs

- **Drying hands faster**

KLEENEX® Premier and KLEENEX® Xtra towels are 2-ply, providing superior drying and softness

SCOTT® Hand Towels are reliable and cost effective.

- **SCOTT® Xtra Hand Towel**

Optimises every aspect of the manufacturing cycle to provide our best cost in use hand towels

- **SCOTT® Slimroll Rolled Hand Towel**

Compressed technology allows us to wind more towels onto a roll

- **SCOTT® Ultra Rolled Hand Towel**

Excellent absorbency and strength

Folded Hand Towels

Your best choice where comfort and hygiene are important.

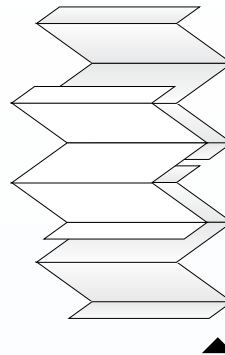

Choose the right folded towel to meet your needs:

- **Interfolded – for hygienic single sheet dispensing**

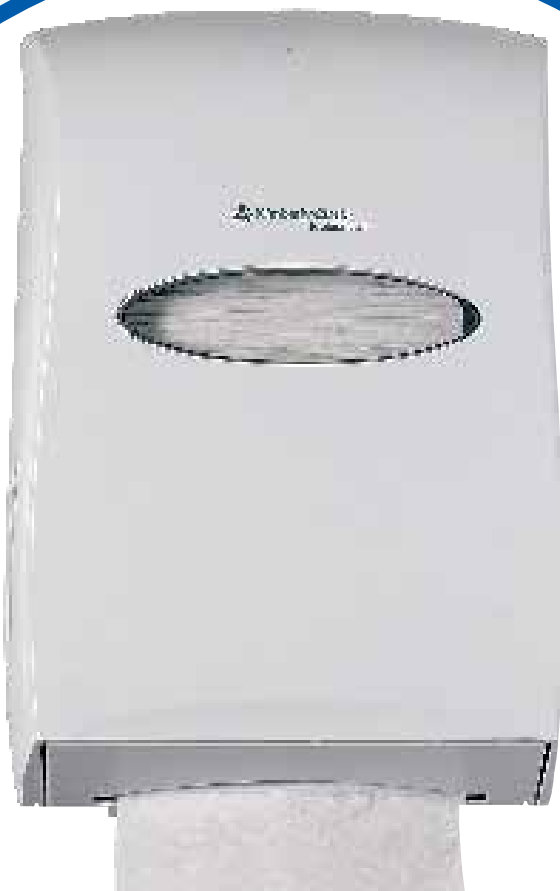

Our most popular folded hand towel format – individual towels are presented open and ready for use, touched only by the user

- **Traditional formats**

Hand Towels are available in C Fold and S Fold offering competitive cost per sheet, suitable for high traffic washrooms

Interfolded Hand Towel

Rolled Hand Towels

Created for busy, high traffic washrooms. Simply select your preferred cost-effective dispensing system.

- **High Capacity System**

With rolls up to 304m in length, this high capacity system helps to reduce the need for refilling

- **High Hygiene System**

Hygienic, hands free, easy to clean dispensers

- **Maximum product on a roll**

SCOTT® Rolled Hand Towels are compressed, reducing storage space required and packaging waste

- **Dispensing systems to fit your needs:**

- **Hands Free Dispenser**

Presenting a fresh, individual towel ready for use, touched only by the user

- **Slimroll Dispenser**

Our compact dispenser, still with great capacity

Reduced Fibre Consumption

SCOTT® Slimroll Hand Towels reduce the amount of fibre needed to dry hands and minimise the amount of wasted 'dry' fibre placed in the waste bin after use by 28%.

Hand Hygiene – Skincare

Washing and drying hands correctly is vital for reducing the spread of germs. Our high performance skincare systems:

- **Protect washroom users**
Reducing the risk of infection through cross-contamination
- **Promote personal well-being**
Leaves skin feeling clean and fresh
- **Raise hygiene standards**
High capacity systems ensure your washroom users hands are always kept clean

Our brand offer

Our KIMCARE* Skincare range currently offers:

- **Cost control**
- **Low maintenance**
- **High reliability**

Coming soon

We are transitioning our skincare range to become part of our KLEENEX® Brand family.

Already available is our new KLEENEX® Luxury Foam Frequent Use Hand Cleanser, dispensed through a hygienic Electronic Dispenser.

Accreditations

Selected products in our skincare range have been accredited with the European Ecolabel.

Foam Hand Cleanser

Ideal for busy, high traffic washrooms.

- **Less refilling**
High capacity cartridges
- **More efficient**
Reduced washing time, less water used
- **Pleasant experience**
Luxury foam lather

Liquid Hand Cleanser

Designed for less busy washrooms.

- **Satisfying user needs**
Wide product choice from Everyday, Frequent Use, and Antibacterial Hand Cleansers

Foam Hand Cleanser

Compared to conventional liquid soap, our foam soap delivers twice as many hand washes per litre.

Easy Selection Guide

Luxury Foam

For high traffic washrooms

Liquid

For less busy washrooms

Pleasant formula leaves skin
feeling clean and fresh

Bath Tissue

Select from our complete range of market leading bath tissue brands, formats and efficient dispensing systems, to suit your needs and environment.

The brand users trust

- **Adding a touch of luxury**
Comfortably soft and absorbent
- **Visible quality assurance**
The puppy which is synonymous with the KLEENEX® Brand

Responsibly sourced virgin and recycled fibre

Products manufactured using sustainably sourced fibres.
Many with independent FSC certification

Everyday, good quality Bath Tissue

- **Sustainable sourcing**
All SCOTT® Bath Tissue is made with 100% recycled fibre
- **Forest Stewardship Council**
Selected products are FSC certified

Reduced Usage

With our Folded Bath Tissue, up to 40% less product is used compared to Jumbo and Small Roll Bath Tissue. This means less waste too.

Choose the right Bath Tissue format for your needs:

Folded Bath Tissue System

- **Most hygienic format**
Effective single sheet dispensing, sheet touched only by the user
- **Less tissue used**
Up to 40% less used than with rolled formats
- **Highly efficient**
Low maintenance, fewer trucks on the road, reduced transport costs and less storage space needed

Jumbo Bath Tissue

- **For high traffic areas**
Delivering high capacity with minimal maintenance

Small Roll Bath Tissue

- **Home comfort feel**
Suitable for hotels and small offices

Smart Dispensing Test. Euro Interfolded Bath Tissue. Kimberly-Clark Europe, October 2000. Figures refer to male usage.

Washroom enhancements

These little touches can show that you care about user's hygiene needs and personal standards.

Facial Tissues

- **Premium luxury**
Giving users trusted softness and performance
- **Blends with any décor**
Elegant boutique tabletop cubes
- **Flat Box**
Ideal for neat wall-mounted dispensers

**Also available in
Dispenser Refill Packs**

Reduce Today, Respect Tomorrow* is the KIMBERLY-CLARK PROFESSIONAL* approach to sustainability. It begins with the understanding that the way we use resources today shapes the world of tomorrow. And it has led us to focus on reducing consumption at every stage of the product lifecycle – from design and manufacture to distribution and disposal. Reduction is the key to lowering the environmental impact of our activities as well as those of customers. To learn more: visit www.kcprofessional.com/za/reduce-today.htm
