

## Exclusive Residential Flooring – experience style and luxury underfoot

For those who truly appreciate quality, luxury and class – Robex offers a range of contemporary decorative floor coatings designed to give your home that one-of-a-kind look you’ve always wanted.

Robex Spartacote’s AlpenGlow incorporates metallic pigments to create beautiful colour variation and depth while adding durability and surface quality for a flooring finish that not only looks good, but is also functional.

### Get the look with AlpenGlow

AlpenGlow offers homeowners and property owners a unique and fashionable flooring idea for their kitchen, bathroom, living room or garage.

#### Features & Benefits

**Variety of colours & designs:** Choose any of the 10 vibrant colour options shown below.

**Quick & Easy Installation:** The simple 3-coat process allows for single day application and fast drying. Install one day and move in the next – no long waits or messy construction sites.

**Versatile:** Unique application techniques and stunning colour combinations make AlpenGlow the ideal solution for almost any room inside your house as well outside, rivalling many natural floor options.

**UV stable:** AlpenGlow is impervious to the sun’s harmful rays, which means that it will not yellow, fade, chip or peel as a result of sunlight and exterior exposure.
